Actividades a desarrollar por el estudiante o desarrolladas

Dear father and mother, these are the activities your children are going to work on, the following two weeks in English for 9th graders.

I – FIRST WEEK.

1. Review, correct and compare the irregular verbs in their four columns and study the first 70. We have studied 60 first, so you can continue studying the other ones for quizzes when we return to presential classes:

2. Read and compare Simple Present and Simple Past. Which are differences and similarities?

Make a chart and write both of them:
